

# BALMAIN OVAL TABLE

---

Inspired by art deco with a modern twist, the Balmain Collection includes a range of dining tables and benches with a signature contour style across the range. The soft curves paired with a range of luxury, yet practical material finishes highlight the sophisticated simplicity and elegance of this range.

Designed for practical living and the ever changing nature of eating at home, tables are available in a range of oval ended lengths and round sizes. The curved underside provides a soft table edge and the large radius ends not only provide a smaller footprint where space can be limited but allow for ease of conversation during your dining experiences.

## MATERIALS / FINISHES

Table Top:

Marble: Italian Carrara, Nero Marquina or other stone at request

Timber: Ash/Oak stained black or natural, Walnut

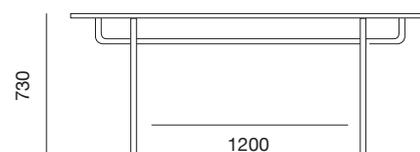

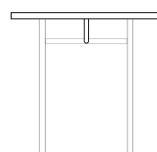

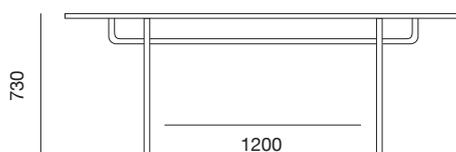

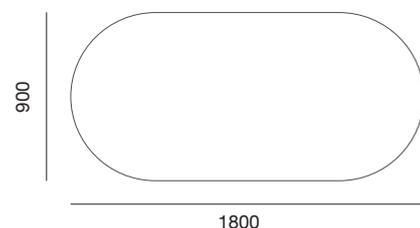

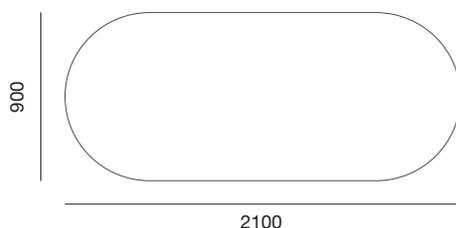

Frame:

320mm stainless steel black or white powdercoat

## SPECIFICATIONS

Tables come with adjustable feet.  
Standard frame height is 700mm.  
Overall table height may vary slightly between table top material thickness as noted below:  
Marble 20mm = 730Hmm  
Timber 32mm = 732Hmm

# BALMAIN ROUND TABLE

---

Inspired by art deco with a modern twist, the Balmain Collection includes a range of dining tables and benches with a signature contour style across the range. The soft curves paired with a range of luxury, yet practical material finishes highlight the sophisticated simplicity and elegance of this range.
