

DION DAYBED

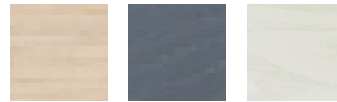

The Dion daybed offers a versatile piece of furniture ideal for a relaxed lie down, lounging with a book or friends or for use in commercial and open plan spaces.

Hand crafted from ash, the considered solid joinery and stained finishing with visible wood grain reveals a high quality frame structure in a simple yet elegant design.

The minimalistic aesthetic combined with the black stained framework allows upholstery to be bold or paired back to suit a range of environments.

MATERIALS / FINISHES

Solid ash / oak frame, natural sprayed matt black or white washed.
